Sequence and time expressions	When do we use them?
At first... First of all...	At the beginning of the story.
Next... Then...	In the middle of the story, when we want to write about a new action.
Suddenly...	In the middle of the story, when something unexpected happens.
The next day... A few minutes/hours/days later…	In the middle of the story, when we want to make a pause and show the passing of time.
Finally... In the end...	At the end of the story.

unexpected – niespodziewany
make a pause – zrobić pauzę przerwę
passing of time – upływ czasu
